

# Tips & Tricks #1: Create a Digital Library Card

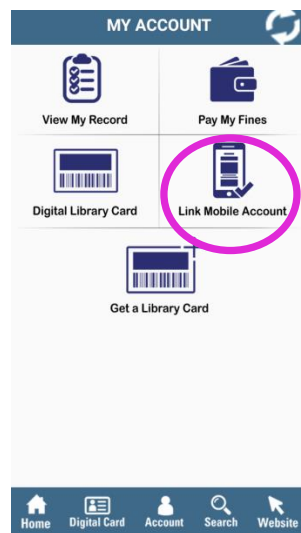

Here are the steps for having your library card quickly accessible on your phone.

1. Make sure that your library account is up-to-date.

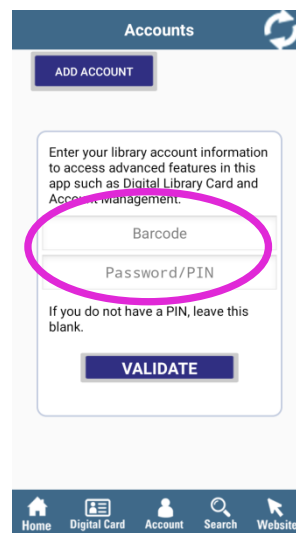

2. Install the **free** app  **Westchester Library System** on your mobile device.

3. Select **My Account**

4. Choose **Link Mobile Account**

5. Choose **Add Account**, and enter **your library barcode number and PIN** (typically last four digits of your phone). Then click on **Validate**.

6. Your digital library card is now one-click away.

TO USE: Simply open the app and click on Digital Card
